SPRINGFIELD PUBLIC SCHOOLS  
Lane County School District #19

Dear Parent:

A voluntary student health and accident insurance program, underwritten by Ace American Insurance Company, is being offered as a service to students of Springfield Public Schools through Myers, Stevens and Toohey and Company, Inc. 26101 Marguerite Pky, Mission Viejo, California 92692-9967, 800 827-4695.

There are a variety of accident plans from which to choose, and within each plan there are three levels of coverage: high, mid or low option. The 24-hour plan offers the best scope of coverage. A football plan is priced separately for students in Grades 10-12 participating in that sport. Ninth grade football is covered under the school-time and 24-hour plans, unless the 9<sup>th</sup> grade student is playing with the varsity team. In all cases, whichever plan and benefit level is selected; student insurance benefits are paid primary to any existing health insurance.

Please study the outline of plans, coverage and corresponding premiums detailed in the descriptive brochure available at the school or through Myers, Stevens and Toohey and Company, Inc. Enrollment in the plans, payment of premiums, and the processing of claims is done directly through Myers, Stevens and Toohey and Company, Inc.

*Springfield Schools requires all students participating in interscholastic athletics to be covered by medical/accident insurance. **If a student is covered by a medical/accident plan other than the Ace American Insurance Company Plan described above, the student must provide proof of coverage to the school and file a request signed by the parent to waive participation in the voluntary student medical/accident insurance program.***

Please note that if your student participates in all sports, his/her fees and insurance coverage must be in place prior to the start of Fall practice. Fall sports start practice on August 21, 2006.

Should you have any questions regarding the student insurance programs you may call Myers, Stevens and Toohey and Company, Inc. at 800 827-4695, extension 42 or you may call their local agency representative, Sue Manley at Manley Administrative Services Company at 800 422-7038.
